

FOZA Volunteer – Nicoya Johnson
Online Communication Amplifier

Quote: "There is no better way to make my heart smile than putting one on someone's face."

- *Nicoya Johnson*

Nicoya Johnson is an active Human Resources practitioner leading the diversity and retention strategies within her organization. She has committed to creating a skilled, diverse, and inclusive workforce where employees across the sector have an increased sense of belonging.

Nicoya recently defended her dissertation: "Work Environment Preference: A Generation-Based Analysis of the US Workforce" as the final part of the requirements for her Doctorate in Business Management (DBA) from Wilmington University.

Nicoya has experience volunteering and supporting community service organizations specifically in the areas of social media engagement and mission awareness.
